Summary of the appeal (Additional information should be provided in a separate sheet):

as a first attempt candidate

I was registered for semester 8 with the 2013th batch. But I couldn't attend lectures and examination under medical grounds [severe mental depression for which I was treated by Dr. Jayamal de Silva, consultant Psychiatrist]. Therefore I kindly request permission granted for me to get registered with the 2014th batch as a first attempt candidate for semester 8 modules. I also request permission to continue the continuous modules CH4203 Research project and CH4033 which I got registered in semester 7 with 2012 batch and was allowed to continue as equivalent modules CH4070 and CH4034 respectively with 2013 batch
