Dear sir,

Request to reconsider the medical certificate

This refers to the rejection letter (Annexe 1) dated 28.09.2018 which informed about the rejection of the medical certificate which I submitted on 04.01.2018

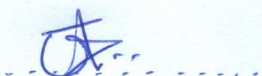

I have attached the rejected medical certificate (Annexe 2) and the letter of recommendation of the medical certificate by the consulted doctor (Annexe 3).

Though the rejection letter says that I have submitted the appeal (medical) on 28.08.2017, I have actually submitted it on 04.01.2018

Hence, please be kind enough to consider the recommendation letter for the medical certificate issued by the consulted doctor and do the needful.

Thanking you.

Yours faithfully

(Uyangodage T.N.)
