Dear Madam,

Regarding the absence of the result of MN1030 Entrepreneurship Skill Development

I G. R. Jayakody (140242F) am currently a student studying at semester 8 in Department of Electrical Engineering. I got I-ca for the above mentioned module in semester 3 and I completed the continuous assessments with the 15th batch as a fulfillment of the incomplete continuous assessments. Due to my mistake, I could not submit the repeat application form to the Undergraduate Division. Very recently, I got to know that my result for the above mentioned module has not been changed due to that. I would be grateful if you could look in to this matter and release my updated result.

Thank You!

Yours sincerely,

G. R. Jayakody
