Appeal in Brief (One sentence) : Request for repeat exam for MN4022 (Engineering Economics)

Summary of the appeal (Additional information should be provided in a separate sheet) :

MN4022 Engineering Economics is usually offered in Semester 7 and Semester 8 by the Management of Technology from the business faculty. However, in this year the module was not offered in S8, as the enrolled number of students were less than 15. Four of us and several students from other departments have obtained I-We for the above module in S7. Discussions with the module coordinator from the Business Faculty with this regard, revealed that it is possible have a repeat exam in S8. Please kindly consider on the above matter and permit the Business faculty to conduct a repeat exam for the above module.

Details of the Supporting Documents (All the supporting documents should be attached)

Annex 1: Requesting letter by four students of ~~Earth~~ Department of Earth Resources

Annex 2: Engineering, through Head of the Department

Annex 3:

I understand that the submission of this form does not mean that the request is accepted or recommended by the University. Further I have reviewed my application and certify that everything I have stated is true.

Request for repeat exam for MN 4022 Engineering Economics

Dear Sir,

MN4022 Engineering Economics is usually offered in S7 & S8 by the Management of Technology from the Business Faculty. However, in this year the module was not offered in S8, as the enrolled number of students were less than 15.

Four of us and several students from other departments have obtained I-We for the above module in S7. Discussions with the module coordinator from the Business Faculty with this regard, revealed that its possible have a repeat exam in S8 (as the module is usually offered in S8), with the permission of the Engineering Faculty Undergraduate Division.

Hence, we would like you to kindly consider on the above matter and permit the Business Faculty to conduct a repeat examination for the module MN 4022 Engineering Economics.

Thank you.

Yours Sincerely,

[140863J] A.S.Gurusinghe
