Appeal in Brief (One sentence): Request to allow me to register for S8

Summary of the appeal (Additional information should be provided in a separate sheet):

I M.S.M. Hashikam a 2014 batch Materials Science & Engineering student. My SGPA in semester 2 was 1.875, S3 was 0.682, S5 was 0.91 and S6 was 1.575, due to this I am currently under academic probation. I would also like to mention that this was mostly due to my falling physically ill during the exam periods for those semesters.

Sir, I am coming from a financially difficult background and extending my academic period by one more year will place me and my family under great strain.

This student may not be able to proceed further until completion of S3 and S5 next year. He had also submitted a medical concession for S3 which is in process. What He claims to have given an appeal to release his S4 results which was not processed. Therefore whatever the procedural requirement, I feel it is just fruble to grant his request to avoid him taking his time further.

And also when I did the 3<sup>rd</sup> semester exam with 24<sup>th</sup> Batch I had some medical issue so I got the recommendation to sit the exams as first attempt for these modules. EE2802, EN2852, MA2013, MA2023, ME1822, MT2042 & MT2122.

Again when I did the 3<sup>rd</sup> semester exam with 16<sup>th</sup> Batch I got viral fever and I didn't sit for the modules EN2852, MA2013, & ME1822

so I have submitted the medical for those modules.

For these reason I didn't completely write the 3<sup>rd</sup> semester exams so please don't consider 3<sup>rd</sup> semester results as probation.

And I kindly request you to allow me to register for S8. If that is not possible please be kind enough to let me do the continuous assessment for the modules so that I only need to sit for the S8 exams in the following year.
